CHALLENGE: *Roll Out Major Marketing Plan*

- Launch new enrollment while serving current customers.
- Develop a team of support specialists to avoid losing sales.
- Control costs associated with exponential increase in staffing.
- Find financial specialists with strong sales and closing skills.
- Maintain increased first-call resolution rates.

SOLUTION: *Matched Demand with Right Agents*

- Avoided cost of hiring and training additional, full-time staff.
- Provided industry specialists to maintain existing service and sales.
- Tailored capacity, within 15-minute increments, to match call volume.
- Enabled real-time monitoring and surveys to ensure quality.
- Ensured rapid scalability to capture more business from promotion.

RESULTS: *Captured Important New Business*

- Provided productive agents—without incurring downtime.
- Maximized windows of opportunity for new sales.
- Trimmed average call-abandonment rates to less than 5%.
- Added a retail client, increasing company calls by more than 1,000%.
- Supplied 100s of more agents to support new business in 48 hours.

"It is always reassuring to know Working Solutions' leadership stands willing to go the extra mile."

MAXIMIZING SALES. INCREASING LOYALTY.

A team of support specialists handled current customers as in-house agents trained.

Balancing old with new

A global financial protection servicer prepared to launch a major enrollment and marketing plan. The company not only wanted to add new business, but also maximize sales and increase loyalty among current customers.

Tapping on-demand talent

Working Solutions tapped its nationwide network of specialists—many of them bilingual. Agents averaged five to seven years of related industry experience with proficiency in sales. More than 80% had a college education.

Maintain and grow

The company maintained existing service, sales and added revenue. Soon after the launch, a new client was added. Within 48 hours, we responded with 100s of agents to handle 1,000% increase in calls.
